Sunshine and celebrations..................

We seem to be reaping the flip side to the long cold winter and spring… Lovely to see the sunshine and feel the warmth of the sun, yet the countryside is still so green and looks stunning.

As did the Millennium Green on Saturday 19th May when flags and bunting were dusted off for the Village Party to celebrate the wedding of Harry and Meghan. It was a fab day and the first instalment of pictures are on page 2, with more to come next month.

Then so quickly will come the longest day of the year and the summer solstice. The fever of Scandinavian countries to celebrate the long summer days makes lots of sense whilst those in the UK seem more reserved in their celebrations, only at Stonehenge do we see much activity with a large gathering waiting to watch the dawn.

There are some great village events taking place this month. Don’t forget to buy your tickets for the Millennium Green BBQ on the 9th of June. If you haven’t been before it is a fantastic social event for adults and children alike. Large braziers for cooking your meat, great range of accompanying salads, the live band are always entertaining and children have space to run around whilst the adults can sit back and enjoy a drink, perfect! See page 5 for more information.

Also in June on Friday 15th is North Kilworth versus South Kilworth Golf Match, good luck North Kilworth! If you are not involved then you can always join them for a drink in the clubhouse in the evening to celebrate/commiserate. Many of us will be going to Kilworth House Theatre on the 16th June to see ‘Guys and Dolls’. Every production is a wonder, such an amazing standard right on our doorstep. It’s like having a West End show in North Kilworth!

If its festivals you like then although there is no Glastonbury this year there are many others to choose from such as the Isle of Wight Festival starting on 21st June and at the end of the month a new 3 day music festival at Market Harborough called Tex Fest. Whatever you do in June, enjoy!

Belinda and Sharon
A Great Day for a Wedding Party!

Thank you to everyone who attended the Village Party on Saturday 19th May. Weren’t we lucky with the weather!! It was a glorious day and everyone had a lovely time.

Here are some pictures taken before the party showing how lovely the Millennium Green and Church Street looked before the Villagers arrived to PARTY. In next month’s newsletter we will share more pictures showing the party in progress.

The ‘Pop Up’ committee would like to thank everyone who helped with the set up, the on the day activities and most importantly the tidy up on Sunday.

“Thy Kingdom Come…….”

As I write this we are in that ‘almost, but not yet’ time of waiting between Ascension Day and Pentecost, between Jesus ascending back to God the Father which we celebrated on Thursday 10th May and the sending of the Holy Spirit which this year falls on Sunday 20th May.

However, in the churches across The Avon-Swift Benefice we have certainly not been waiting idly! We began on Ascension Day in Gilmorton church with Buggy Service for pre-school children and their carers. Using a helium balloon to demonstrate Ascension became more realistic when the balloon ‘accidentally’ drifted up into the roof of the church, where to date it still rests comfortably!

After Buggy Service we went to Swinford church. Here we set up Prayer Stations based on The Lord’s Prayer ready for Swinford school to come in groups to think about what The Lord’s Prayer might be saying, and how we might respond to God through our prayers. The children wrote prayers of praise and thanksgiving and joined these prayers together to create a prayer chain. They held a globe and prayed for joy, hope, peace, love and justice in places across the world. They used their senses with bread to work out what ‘give us this day our daily bread’ means. And they thought about trespasses and forgiveness, sticking broken hearts back together as a reminder that God loves us and wants us and our relationships to be whole. The Prayer Stations were then packed up and used again at North Kilworth, South Kilworth and Gilmorton the following week.

Our intention in taking these prayer stations round to our church schools was to join in with ‘Thy Kingdom Come’ https://www.thykingdomcome.global a wave of prayer which sees millions of Christians joining together in prayer across the world. For people of faith, being thankful before God and praying for the world, our daily needs and our relationships, is important as we trust, as one little girl so beautifully put it, that God wants to hold us tightly and carefully "so that God doesn’t drop us".

If you are a person who prays, you might want to take a moment in prayer now. And if you would like us to pray with or for you, please do get in touch, or leave a prayer in one of our churches.

For thine is the kingdom, the power and the glory, for ever and ever. Amen.

Who Knows this Flag?

Villagers in North Kilworth celebrate last Saturday with a Barbeque. Can anyone identify the flag? ......it is perfectly genuine and the State is in the news at the moment as a major volcanic eruption occurs.

Fortunately the scene in North Kilworth was more relaxed and laid back.

The May meeting was well attended by 25 members to hear Camille Ortega McLean who is the founder of ‘The Pickled Village’. Her relishes and pickles are well established on supermarket shelves and in high end stores such as Harrods and many outlets worldwide. Her story was one of both success and failure and was an inspiration by the fact she did not give up but reinvented her product to become the success it is today. Her innovative recipes have been best sellers and we were pleased to be able to sample her products and we were able to buy the many jams and pickles.

Our June meeting has a talk from an ex-Tiller girl so we look forward to tales of life in a chorus line! I hope she doesn’t want us to do high kicks!!!

Meetings are held on the 3rd Thursday of the month in the Village Hall and we would be very pleased to see any new members.

North Kilworth Reading Group

The next meeting of the Reading Group will be on Thursday 28th June at 8.00pm venue Ivy House. The books under discussion are two novels written by John Lucas. The selected novels are ‘Waterdrops’ and ‘Summer, Nineteen Forty Five’. Read either or both!

‘Waterdrops’ is a first novel by John Lucas a well known academic, poet and memoirist. The novel cuts between a young boy observing the world of parents separated by war and the viewpoint of his father, stationed in Malta, where events take place that will not be fully explained for 50 years. An intelligent, absorbing novel that is also about the role of memory in how we shape and come to terms with the past.

The setting of ‘Summer Nineteen Forty-Five’ is a small village in the East Midlands at the end of the second-world war. But the village’s calm is about to be disrupted by the unexplained death of a girl evacuee from London, and this sets in motion a series of events leading to a further, catastrophic death. Only years later are the mysteries of these deaths unravelled.

New member always welcome. Contact Jo Guilfoyle on 881124 or Belinda McKee on 07742399682 for more details.

St Andrews Church Flower Rota

I’m afraid I missed the deadline for the news letter last month so a rather belated thank-you to those who helped and gave donations towards the church flowers for Easter. In particular, a big thank you to all the children from school who filled the church with their wonderful work and personal prayer cards.

Although we are not having as many services as we used to, the Church is always open and flowers are a welcoming sight for any visitor coming to St. Andrews.

Meetings are held on the 3rd Thursday of the month in the Village Hall and we would be very pleased to see any new members.

North Kilworth Bowls Club

The weather has now, fortunately, improved and the green is starting to benefit from the sunshine after the long, wet and cold winter. The better weather has enabled our friendly matches to start (generally on Thursday evenings and Saturday afternoons). The South Leicestershire Triples League is now also underway and we are sitting mid-table with one win, one draw and one loss from the three matches which it has been possible to play. June sees the first of our two matches against South Kilworth Bowls Club (June 7th) for the Entwistle Cup which we hope to wrest back from them this year. The June fixture is ‘away’ at South Kilworth. The return leg is in July.

All our fixtures (friendly games and South Leicestershire Triples League games for 2018) have now been updated on our website. Come along and watch the action, preferably in the sunshine with a drink from our bar in your hand! Alternatively (or in addition) come along and try your hand. You will be most welcome.

Also don’t forget the Clubhouse is available if you are planning any event and that there is a bar which can be opened if required. Speak to any Committee member if you have any plans afoot.

North Kilworth Ladies Rounders Team

Well the rounders' season has just started and since my last article in autumn 2017 when I reported we finished runners up in Division 2 we started off this season being promoted to Division 1. Well done Team!

Our first game on 14th May was at home against Arthingworth we only had 8 players as some of our younger members were revising for exams and we already had some injuries before the season started. It was a lovely sunny evening and we decided we were not going down without a fight and to just enjoy the game! And a fight we gave Arthingworth though we lost 8½ to 26 this did not dampen our spirits we are still raring to go. Unfortunately we lost Debbie to a broken finger…..yes another injury.

The next match was away to Market Harborough Ladies on 21st May. Yet another lovely pleasant evening with the sun shining down on the pitch, or was the spot light on us. We managed to recruit a new member Poppy to make us a complement of 9 players, well! What a breath of fresh air and welcome to the team. Poppy our top scorer of the match scored 6 rounders, with Sam and Aimee not far behind with 2 ½ rounders each. Thank you Debbie, even with a broken finger you still came to support the team, though frustrated that you couldn’t play, you kept the team motivated with your words of wisdom. Jan our mascot as always present to cheer us on.

By the 2nd innings we lost Poppy by being run out at fourth base…..Noooooo! We had to let her off, after all, it was her first game and she got a bit excited and carried away. We thought we saw the game slipping from our fingers, or was that the ball by being outed at first base or caught out. But surprise surprise we won, yes we won indeedie…..we managed to hold it together. 16 to 18 ½ to North Kilworth Ladies. Get in there !!!!!!

We continue to look for new players, no previous experience necessary. It’s an opportunity to get a bit of exercise and socialise with the team. If you want to know more please contact Aimee on 07739 882190 or Chloe on 07756 930628.

If you want to try before you buy aka join the team, come and watch us.

Dates for future games:
Tuesday 5th June at 6.30 pm - North Kilworth v Bowden
Tuesday 19th June at 6.30 pm – North Kilworth v Welford
All our home games are played at North Kilworth Social Club sports field.
Bring the family and cheer us on.
